**At this time, the camping pads are closed.** We are working to get them open as soon as possible. When the Camping Area reopens, we will post the information on our Website. When opened, Camping is allowed in accordance with Park County Land Use Regulations to owners in good-standing and their guests. ### **Common Area/Pavilion:**

We have been asked by some owners about using the pavilion for weddings, events, etc. The following will apply: When the pavilion is used by an HOA Member for Weddings, Graduations, Special Events or Corporate Events that includes visitors that are outside the immediate family of the HOA Owner (those that would not normally reside in your home), proof of Liability Insurance must be provided naming Wildwood Recreational Village Homeowners Association as Additional Insured with a Limit of Liability in the amount of \$1,000,000. If liquor is being served, Liquor Liability Coverage must be included. This policy can be purchased as an Event Policy or under a Homeowners Policy depending on the carrier. The Proof of Insurance must be sent to the Association Board at least 60 days in advance for approval. The Board will then send it to our insurance company for review and get back to the owner approving the event.

**Fire Ban Information** - The Hartsel Fire Department installed a flag pole in front of the firehouse in the common area at Wildwood. When the Red Flag is flying, there is a fire ban in effect. If you are considering a trip to Wildwood, please check with Park County to see if there is a fire ban in place so you will be prepared when you arrive. The Hartsel Fire Department is issuing \$1,000 fines to those folks that do not adhere to the fire bans. **You can visit [www.parkco.us](http://www.parkco.us) to learn about and enroll in CodeRED which is a community notification system for emergency situations or critical community events in Park County.**

**Firewise Community – Wildwood is a designated Firewise Community in 2017. Do you know what this means? If not, please plan to attend a short presentation prior to our Picnic on July 1<sup>st</sup> at 11:00-11:30 AM.** If you clear any trees, debris, etc. on your property and keep track of your hours, this work allows us to keep our Firewise designation. A Firewise worksheet/form is available on the Resident Portal for completion. We need your support and continued efforts to maintain our **Annual** Firewise Community Designation. Linda forwards information in August so please get your completed form to her in a timely manner. If you have any questions, please contact Linda Watson at 719-651-7604.

**Fishing/Common Areas** – We have a **2 Fish per Person per Day limit**. Please be considerate of your fellow owners by not exceeding this limit. Also, please practice appropriate/efficient catch and release methods to minimize unnecessary loss of fish. Barbless hooks are recommended. We will be stocking the lake in Mid-May this year.

**Lot Improvements** – If you plan **any** improvements on your lot a Lot Improvement Form **must** be completed. Check the website for the form. The form must be completed and approved by the Lot Improvement Committee prior to the start of any improvement.
